It was a fantastic party, but not for everyone.

Last night me and the boys came to our friend's birthday party (we spent there all night by the way). At its begining everything was just fine: everyone had fun, danced and stuff. In about an hour after this I saw, that some of the visitors had a little romance. They looked really cute together, and it seem like the guy ~~real~~ loves her very much, & cares about his girl a lot. But I didn't gave it much ~~some~~ attention, as my friends called me to see what a present someone have given to a boy we came.

Anyway, present was good, but ~~rea~~ relationship of this ~~lovet~~ young lovers wasn't as great. For some reason, girl left this guy, (~~As I understood later, they both were drunk as hell~~ ^{she was}), and went to one of my friends. Five minutes later they were ~~have been~~ having fun...

So the guy, ~~who've~~ ^{who} been left was very sad (his face looked like a sad mops). ~~Somehow I know his feelings~~ ^{As I understood later, she was}. Being traited by the person you are very interested in, is awful. Oftenly, those pairs split up because one of them don't understand what love is, and just says "Oh, sorry, you are ugly, so leave". ~~But it's not how it works~~
~~Sad the truth.~~ Sad truth.

→ It was a fantastic party.

At the 12th of October my friend Ben organised a party. It was at Ben's house. His house is big, so ~~it was~~ it's a perfect place for a party. ↓

It was his birthday. When I came in, I had no words to describe.

There were rainbow balloons and cute decorations everywhere. In the middle of the room was a very long table. There were a pizza, fried chicken, salads, drinks, fruits on it. Of course, there was a cake. It was blue, with candies and strawberries on it.

My friends Suzy, Kate and Mike came late than me. They met Ben and gave him his presents. They all had big happy smiles on their faces.

I saw Ben was very happy - because his best friends were with him on his special for him day. We were happy too - ~~no~~ it doesn't matter where, we were happy cause we ~~can~~ could spent Ben's birthday with him.
