I think a sport is a main part of our lives. Especially for our grown up bodies. ~~As for me~~ A lot of teens nowadays don't have enough time or don't want to keep their organism in a good shape.

As for me going at the gym became a habit since last year. I made a decision to try something active and new for me. Lucky me I have an amazing gym near my house, where I spend 3 times a week. Every training I see a lot of teens, adults, who are working out and it makes me so inspired each day. I can say that number of these people is increasing so much.
