Всероссийская олимпиада школьников по английскому языку для учащихся 9-11 классов
Школьный этап. 2021/2022 учебный год

Writing

Time: 40 min

In your English class you have been talking about education. Now your English teacher has asked you to write an essay for homework.

Write your essay using all the notes and giving reasons for your point of view.

Some parents teach their children at home rather than sending them to school.

Is this a good or a bad thing for the children?

Write about:

1. having a parent as a teacher
2. making friends
3. (your own idea)

You should write about **200 - 250** words.

I don't think that having a parent as a teacher is a good idea. To be honest, first of all, parents ^{usually} have another job to do, ^{it's just preposterous} including their work, cleaning home, extra kids and so forth. They cannot teach their children as well as teachers do, it's just not their specialization. ^{can't} ~~cannot~~

Also, the children ~~have~~ ^{can't} have friends sitting at home, and it's especially bad for them. In this occasion, the kid can become ^{almost} ~~unable~~ ^{nearly} unable to communicate with other pupils outside ^{the house} ~~the house~~ and feel himself lonely and miserable. It is not good.
